# INDIANA YOUTH PROGRAMS

Indiana's National Guard Youth Program offers a variety of services and opportunities to our service member and their families. We are committed to

making our programs available to every service member and their family when possible. Our Youth Program currently offers:

## As part of Yellow Ribbon - Deployment & Reunion activity briefs:

Each one designed to assist the youth from pre-deployment through their reintegration back to the family, and everything in between. Activity briefs focus on coping skills, asking for help, creating a support system, making new friends and having fun!

## Educational Youth Programming:

This includes Life Skills Training, State Youth Symposium, and other events that help our children meet their needs and fosters personal growth.

## KIDS AT/YOUTH CAMP:

Open to youth ages 9-17 that have at least one parent in the Indiana Army or Air National Guard.

INNG youth experience a week long camp that allows them to meet others like themselves while at the same time participating in similar activities their military parent experiences.

Activities include: Archery/Firing Range, Rockwall, Fitness Course, Rappel Tower, Road Marches, Singing Cadence, Swimming, Service Projects, Arts & Crafts, etc.

## YOUTH COUNCIL:

The goal of the Youth Council is to hold meetings 4-6 times per year and come together to train, brainstorm ideas for activities that will happen throughout the state, and to participate in fun activities and service projects that build camaraderie among the council.

## PARTNERSHIPS:
